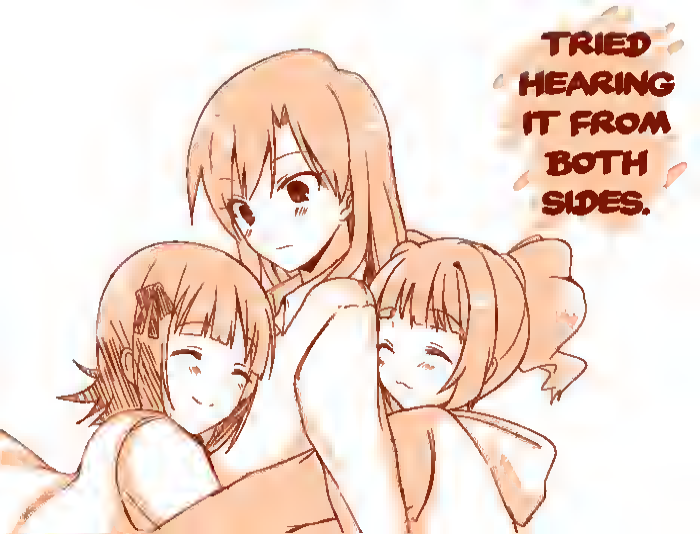
Ah, Chihaya-chan, this magazine has HRU in it.
Oh yeah, I recall her saying something about a swimsuit photoshoot.
What's the matter, Chihaya-chan?
Kyaa
Chihaya-chan is HRU!
As I thought, it's better for girls to have big chests...
Uwaa... I like Chihaya-chan's chest though.
It's fine. You don't have to force yourself to say it to comfort me.
You're not making me feel better anyway...
I'm not trying to comfort you.
Wait, Haruka!?
you are...

THIS WAY I CAN HEAR YOUR HEARTBEAT BETTER. IT'S NICE.
HARUKA...
SHHH, CHIHAYA-CHAN. YOUR HEART IS RACING.
AH, THAT'S A SPIDER, ISN'T IT?
THE NEXT DAY...
AH, I ALSO UNDERSTAND THAT FEELING.
THE SOUND OF THE HEART REALLY CALMS ME DOWN.
RIGHT?
ESPECIALLY, WHEN YOU FEEL IT UP CLOSE FROM THE BACK. WHEN I WAS LITTLE, I ALWAYS STAYED CLOSE TO MY FATHER'S BACK!
AH!
YUUP!



TRIED HEARING IT FROM BOTH SIDES.
